*Helping you hear better
because your hearing matters.*

We are very excited to start the year with our first quarterly newsletter. We are dedicated to helping you with all of your hearing healthcare needs including noise plugs, musician plugs, hunter's plugs, water prevention, hearing assistive technology, and hearing aids. This newsletter will bring you the latest news on hearing aid technology and other information about hearing and hearing loss. We hope to provide you with answers to any question you may have.

Walk-In Hours

Thursday 1:30pm-4pm

What is a Walk-In? A Walk-In is a time set aside for hearing aid users to come by our Murfreesboro Office for cleanings and basic hearing aid repairs such as tubing changes and battery door replacements. No appointment is needed for this first-come first-serve opportunity!

Just walk in!

Be sure to join our Battery Club!
Stop by our office to pick up your Battery Club card and start receiving free batteries.

Hearing Matters

Winter 2007

Middle TN Ear, Nose & Throat

Meet Our Audiology Department

Jennifer B. Romine, AuD, CCC-A

Jennifer completed her Bachelor's degree at Harding University in Searcy, AR and her Doctorate degree in Audiology at UT, Knoxville. She enjoys working out, playing volleyball, traveling, and spending time with family and friends.

Sue A. Vavrock, MCD, CCC-A

Sue graduated from Auburn University with her Bachelor's and Master's degree in Audiology. She is currently pursuing a Doctorate of Audiology degree. She enjoys scrapbooking, photography, cooking, and spending time with her husband and family.

Patti R. Thigpen, MA, CCC-A

Patti is a graduate of MTSU and UT Knoxville with 26 years of experience in speech and hearing sciences. She is currently pursuing a Doctorate of Audiology degree. She is married with 2 sons and enjoys family time, her son's ballgames, and UT sports.

Kimberly R. Mozingo, MA, CCC-A

Kim is a graduate of Goshen College in Indiana and UT, Knoxville. She is currently pursuing a Doctorate of Audiology degree. She enjoys cooking, scrapbooking, traveling, and spending time with her husband and family.

Monica Jones, Audiology Assistant

Monica was born and raised in Woodbury where she resides with her husband and son. She enjoys running, working out, cooking, and spending time with her family.

FACTS of Hearing

- ▶ More than 31 million Americans have hearing loss.
- ▶ Excessive noise is the number one reason for hearing loss.
- ▶ 90% of hearing losses can be treated with hearing aids.
- ▶ Hearing loss is second only to arthritis as the most common complaint of older adults.
- ▶ Crickets have their hearing organs in their knees.

SAVE \$100

on each hearing aid.
